

approval of the state veterinarian, establish a quarantine facility to hold bulls being moved into this state or being sold in this state until they can be tested for trichomoniasis.

2. The quarantine facility shall be inspected and approved by the state veterinarian or his representative prior to being placed into use.

3. The fencing or railing of the quarantine facility must be of material that will keep a bull from being able to breed with a cow located in an adjacent pen or pasture and of sufficient strength to keep a bull from escaping the quarantine facility.

4. A bull in a quarantine facility testing positive for trichomoniasis shall be immediately separated from, and kept separate from, all female cattle and shall be subject to the restrictions imposed by this Section on a trichomoniasis infected bull.

M. The state veterinarian may grant a written exception or variance to the provisions of this Section, with such conditions as the state veterinarian may impose, if such action is necessary to provide for unforeseen situations or circumstances. Any such exception or variance shall balance the need to protect cattle from trichomoniasis with the need to allow cattle to move in commerce.

RULE

Department of Agriculture and Forestry Horticulture Commission

Landscape Irrigation Contractors Insurance Waiver (LAC 7:XXIX.117 and 119)

In accordance with the Administrative Procedures Act, R.S. 49:950 et seq., and with the enabling statute, R.S. 3:3801 and 3:3808, the Horticulture Commission, has amended LAC 7:XXIX.117 to allow the waiver of the insurance requirement for licensed landscape irrigation contractors who only provide consulting or associated services in regard to landscape irrigation systems or work on such systems.

LAC 7:XXIX.119.A has been amended to make a technical correction in the legal citation contained therein. Paragraph (A) was promulgated in 1982 and referred to statutes previously found in Part I, entitled "Agricultural Poisons" of Chapter 12 of Title 3 of the Revised Statutes. In 1983 Part I of Chapter 12 was repealed and the subject matter was transferred to Chapter 20 of Title 3, which is the Louisiana Pesticide Law. This amendment merely provides the correct citation to the applicable statutory law.

Title 7

AGRICULTURE AND ANIMALS

Part XXIX. Horticulture Commission

Chapter 1. Horticulture

§117. Professional and Occupational Standards and Requirements

A - H.5. ...

I. Landscape Irrigation Contractor

1. Before the commission issues a landscape irrigation contractor license the person to be licensed shall first furnish to the commission a certificate of insurance, written by an insurance company authorized to do business in Louisiana, covering the public liability of the applicant, as a licensee, for personal injuries and property damages. The insurance policy shall provide for not less than \$25,000 per personal injuries and not less than \$50,000 for property damages, both limits applicable to each separate accident. The certificate of insurance must provide for 30 days' written notice to the commission prior to cancellation. The commission may, however, waive the requirement for the stated insurance coverage for any licensed landscape irrigation contractor who does not physically work on landscape irrigation systems or accept responsibility for work on landscape irrigation systems but only provides consultation or other associated services with respect to landscape irrigation systems or the work performed on such systems.
